EDUCATION

- **National Institute Of Technology Karnataka** — Surathkal, India
  Master of Computer Application ; GPA: 7.34 — *October 2021 - present*

- **Lalit Narayan Mithila University Darbhanga** — Bihar, India
  Bachelor of Science- Honours(Mathematics); Percentage: 72.6 — *July 2018 - October 2021*

SKILLS SUMMARY

- **Language**: C,C++
- **Core Subject**: DBMS, Operating System,Computer Network,OOPS
- **Database**: MySQL
- **Misc.**: Javascript(Familiar)

PROJECTS

- **Placement Portal**: Developed a dynamic web application to streamline the company placement process and gather feedback from successfully placed students.The application served for tracking company visits, student placements,and post-placement feedback, providing valuable insights for academic institutions and employers.

  Key Features:

  1. **Company Visits**: Implemented a user-friendly interface for authorized administrators to log company visits, including company details, date, and job profiles offered.
  2. **Feedback Collection:** Developed a feedback mechanism for students to share their experiences after getting placed.

  Tech : Nodejs , Express, MySQL , HTML , CSS, Template engine (ejs) , javaScript

- **Inshare Application**: I have been Developed Two Module in this application:
  1. **File Sharing**: It is File sharing Module in which a user will get a **Link and UID** after uploading any type of File,using that link or UID a another user able to Download that File.
  2. **PasteBin**: It is Text Sharing Module in which a user will get **Link and UID** for each corresponding text,using that Link and UID a another user able to access that text.

  Tech : Nodejs, Express, MongoDB, HTML, CSS, javaScript

COURSEWORK

1. Database Management Systems
2. Problem Solving in C++
3. Data Structures and Algorithms
4. Computational Mathematics

ACHIEVEMENTS

- Successfully Qualified the **NIT MCA Entrance Exam** with an outstanding **Rank 170**
- Solved **270+ Problem** including Easy and Medium on LeetCode and GFG.
- Leetcode **Contest** world rank **1849**.
